Experience

Landa Global Properties Vancouver, Canada

Office Intern

Summer 2019, 2020

- Contributed to the interior design process for value-add development projects, supporting the company's art design panel with creative and functional solutions.
- Coordinated and participated in meetings with international stakeholders across finance, urban planning, and construction sectors, ensuring alignment on project goals.
- Organized and managed logistics for local art-focused events, including planning, setup, and hosting, enhancing community engagement and brand visibility.

Carnegie Mellon University Pittsburgh, Pennsylvania

Generative Modelling Teaching Assistant

August - December 2024

- Provided guidance to undergraduate and graduate students in mastering Grasshopper and GH Python, helping them develop advanced parametric and computational design skills.
- Mentored students in devising creative and efficient solutions for design assignments and projects in weekly lab sessions.
- Hosted weekly office hours, offering personalized support to enhance student comprehension.
- Graded assignments with precision and constructive feedback to allow consistent students improvement.

NOMAS Carnegie Mellon Pittsburgh, Pennsylvania

BGL Competition Project Co-Lead

July - October 2024

- Spearheaded the design and development of a five-lot transit-oriented site in West Baltimore for the Barbara G. Laurie Student Design Competition, integrative innovative urban planning and sustainable design strategies.
- Facilitated student reviews with faculty and guests and led internal design meetings, fostering collaboration and ensuring alignment with competition goals.
- Developed and managed the project schedule and timeline, ensuring timely deliverables and effective resource allocation.

Delta Delta Delta Sorority Pittsburgh, Pennsylvania

Booth Head

August 2023 - May 2024

- Designed and supervised the construction, interior, and exterior design of a one-story, 18' x 18' dimensional lumber booth for the Carnegie Mellon Carnival 2024.
- Ensured compliance with construction standards, building codes, and safety regulations. Managed a team of 30 and taught practical construction and power tool skills.
- Oversaw the project from concept to completion, coordinating timelines, budgeting and buying materials, and on-site execution to meet project goals successfully.

H2 Event Vancouver, Canada

Assistant Stage Manager

February 2021 - May 2022

- Coordinated pre-show meetings to optimize schedules and ensure efficient execution for dance and singing performances.
- Acted as a key liaison between costume, lighting, and performance teams during showtime, facilitating seamless transitions between acts and resolving on-the-spot challenges.
- Managed the organization, cleaning, and storage of equipment, providing solutions for cost-efficient storage locations.

Frog Hollow Press, Emma Miao Vancouver, Canada

Cover Artist

June 2021

- Illustrated poetry chapbook Geography of Mothers by Emma Miao, published in 2021 by Frog Hollow Press.
- Collaborated with the author to discuss the chapbook's themes, ensuring graphic design thematically aligned with the literary aesthetic and vision of the book.

My Ivy Study Education Vancouver, Canada

SAT Teacher

June 2021 - May 2022

- Designed and delivered a customized curriculum tailored to the needs of first-generation English students through 4-hour weekly sessions.
- Leveraged personal success as a top-scoring SAT student to develop engaging and effective teaching methods, fostering confidence and measurable improvement among students.
